**The Veil**

*1000 Dreams Have Told Me*  
*Plastic Medium Records*

The Veil's first LP, *1000 Dreams Have Told Me*, is straight ahead rock not unlike the style practiced by SVT or Yanks when Brian Marnell was the frontman of those bands. It is easy to understand Marnell's attraction to this Sacramento band.

If Van Halen can emerge from the garages of Pasadena, it is not unlikely that a band like The Veil will escape from the shroud of Sacramento. — Denise Sullivan
